REGISTERED APPRENTICESHIP PROGRAM (RAP)

For High School Students Monsignor McCoy High School

The Registered Apprenticeship Program (called RAP) is a modified apprenticeship program that permits a high school student to become an apprentice while attending high school.

A RAP apprentice accumulates hours of on-the-job training as credit toward his or her apprenticeship, and credit toward a high school diploma.

Why RAP?

- Skilled trades people are in short supply. A RAP apprentice begins learning a skilled trade.
- RAP gives employers an opportunity to find quality young employees, and to participate in their educational process.
- RAP offers an enriched high school education and provides an opportunity to learn the skills industry needs.
- A RAP apprentice gets a realistic look at the work world and learns employability skills.

Who can employ a RAP Apprentice?

Anyone who is eligible to employ an apprentice can employ a RAP apprentice.

How is a RAP Apprentice different from a regular apprentice?

- A RAP apprentice is a full-time high school student.
- A RAP apprentice must be paid at least minimum wage.
- Apprenticeship's formal or technical training is delayed until the RAP student completes high school.
- Alberta Education is responsible for Worker's Compensation coverage for RAP apprentices.

Employer Benefits:

- Builds a community based work force
- WCB – covered by Alberta Education
- Guidance by workplace mentor
- Participate in the development of your future work force
- Integrates trade training in high school education process
- Develops employability skills, feedback and performance review
- Participates in education process
- Assists with shortage in trades
- Minimizes cost of training

How much time does a RAP apprentice spend on the job?

The employer, the student/parent, and the school determine the hours of work.

- Grade 10: Majority of the students begin in the summer following Grade 10 with a 125 hour pre-RAP internship prior to registering with Apprenticeship and Industry Training. They work full time during the Grade 10 summer.
- In Grade 11, students may continue as a RAP apprentice working after school, weekends, and holidays, and returning full time during the summer following Grade 11.
- In Grade 12, students may continue as a RAP apprentice working after school, weekends, and holidays. Most try to arrange their timetables to accommodate in one semester a half-day at the workplace during the Grade 12 school year.

What are the entrance requirements?

- Good academic standing, particularly in Math, Science and English
- Excellent attendance at school, good citizenship and attitude
- HCS 3000 Job Preparation Module
- CSTS Safety Training prior to placement
- 125 hours Work Experience (pre-RAP Internship, pay optional)

**If any students are interested in RAP – contact Mr. Immel by
phone 952-6061

STUDENT CONDUCT ON SCHOOL BUSES

Medicine Hat Catholic Board of Education

Our goal is to ensure the safety of our students, and in partnership with our transportation provider, we are providing you with the general rules for school bus conduct. We want to work together to create a positive school bus experience for our students.

PRIOR TO GETTING ON THE SCHOOL BUS (on the road and at school)

- Be on time at your designated bus stop.
- Stay off the road at all times while waiting for the bus. Students must conduct themselves in a safe manner while waiting and must not interfere with other students who are also at the bus stop.
- Wait until the bus comes to a complete stop before attempting to enter.
- Students should wear clothing that is appropriate for the outside weather. If a breakdown or collision occurs the bus may have to be evacuated, regardless of the outside temperature.

WHILE ON THE SCHOOL BUS

- The bus driver is in full charge of the school bus at all times and students must obey the driver promptly.
- The bus driver may assign a seat for which the student will be held responsible and he/she will retain this seat until directed otherwise by the bus driver.
- Unnecessary conversation with the bus driver is not allowed.
- Classroom conduct is to be observed on the school bus and any disturbance which may take the bus driver's attention and endanger the safe operation of the bus is prohibited.
- Passengers may not eat on any school bus. This is a shared environment and can potentially cause a severe allergic reaction in other students.
- There is no smoking or the use of alcohol or drugs on any school bus.
- Students must not litter the bus with paper or other garbage or throw any articles out of the school bus windows.
- Students must not extend any part of their body out of the windows.
- Students must remain seated while the school bus is in motion.

LEAVING THE SCHOOL BUS

- Students are responsible for getting off the bus at their designated stop.
- When leaving the bus, students must remain on the sidewalk until the bus has moved safely away.
- The driver will not discharge passengers at places other than a designated bus stop.

SPECIAL TRIPS (Extracurricular & Field Trips)

- The same rules apply to all school trips and all passengers on such trips.
- Passengers on special trips shall additionally respect the wishes and directions of school appointed chaperones provided for the bus.

SCHOOL BUS DRIVER RESPONSIBILITIES

- School bus drivers are responsible for the discipline of passengers while entering, leaving and riding on the bus.
- School bus drivers may recommend to the principal that a passenger be suspended from riding the bus for a specified period of time for breaking any of the busing rules.

Students violating these rules may be reported to the school principal and may be suspended from riding the bus until assurance is received from parents and the student that these rules will be observed.

WHAT IS THE FUNDSCRIP FUNDRAISING PROGRAM?

Fundscrip is an innovative program that lets you earn cash rebates for your organization based on things you buy everyday like groceries, gas and other household items.

Every month you spend hundreds of dollars for things like food, gas, clothing, pharmacy, restaurants, electronics, home renovations, department stores, and so on.

All you have to do is pay for some or all of your purchases using **GIFT CARDS** bought at face value from FundScrip participating retailers and a percentage of every gift card purchased is contributed to your group's fundraising efforts.

Most fundraisers ask you to take out your checkbook to buy things you don't want or need....

Fundscrip costs you nothing!

You make your usual visit to the grocery store. You fill your cart and go to the check out. Instead of paying with cash or a debit card, you use a gift card that you purchased through **Monsignor McCoy High School**. It costs you nothing extra but you just earned money for your group.

Ask family & friends to support

Monsignor McCoy High School

We encourage everyone to invite their family members, friends, co-workers and neighbors to participate in FundScrip as well. After all, they probably buy groceries and gas, just like you do. You could give them an order form and they can order at the same time.

The gift cards come preloaded and are available in various denominations. As you use the cards, the value of the purchase is automatically deducted from the value stored on the card. If you don't use the entire amount, the balance **remains on the card and** can be used for future purchases.

No Donations

No sympathy purchases

No door-to-door sales

Welcome Back

Message from the Superintendent of Schools, Dr. Garry Andrews

Every year, it is virtually impossible to believe school is about to begin again. As each year starts we experience anticipation and hope of good things to come. It is the topic of “**hope**” which has been on the minds of many staff members recently as we consider the presentation at our recent Faith Development Day held on August 28th. Our presenter, Leann Thieman provided much food for thought when she recounted her involvement as part “*Operation Baby Lift*” of 300 infants from war torn Vietnam in 1975. Sustained by faith and hope, the volunteers with whom she worked, were able to accomplish what they set out to do despite doing so in a war zone. Leann challenged us to also have faith and hope in our lives. She stressed the need to have balance – **physical, mental** and **spiritual** – so that we might sustain ourselves throughout the year to come. In doing so, we will not only retain the hope which characterizes the start of a new year but we will be more effective as witnesses for our faith, and in doing so, help to enable our students and parents to also experience the joy of hope.

On behalf of MHCBE I wish you all the best for a year blessed with much hope and increased faith that God will provide whatever we need now and into the future.

Blessings,

Dr. Garry Andrews, Superintendent of Schools
